Dear Parent or Guardian:

The Fair Lawn School District provides supportive services to those students who fall below the minimum level of achievement in the areas of reading comprehension, language arts, and/or mathematics. This year students have been identified using the Developmental Reading Assessment, MONDO, NJ ASK, CTP4 and teacher evaluations. The classroom teachers, math and literacy specialists have met to determine the types of support that are necessary to develop intervention plans. Currently, your child is receiving remediation in reading, writing or mathematics.

You may have questions regarding these programs. Additionally, we will also speak to the District Title I policies and their relationship to the various programs. This will take place on October 25, 2011, from 7:00 to 8:00 P.M., at the Memorial Middle School Cafeteria. I hope that you can attend.

Very truly yours,

Judith A. Moran Ed.D.
Interim-Assistant Superintendent, Education
